

FontSizeCache

```
classDiagram
    class FontSizeCache
    class ToastLayer
    class ui_UIContext["ui::UIContext"]
    ToastLayer --|> FontSizeCache
    ui_UIContext --|> FontSizeCache
```

A UML class diagram showing inheritance. At the top is a box labeled 'FontSizeCache'. Below it are two boxes: 'ToastLayer' on the left and 'ui::UIContext' on the right. A horizontal line connects the two bottom boxes, with a vertical line extending upwards from its center to the bottom of the 'FontSizeCache' box. An arrow points from this vertical line up to the 'FontSizeCache' box, indicating that both 'ToastLayer' and 'ui::UIContext' inherit from 'FontSizeCache'.

ToastLayer
